This is subject to the following terms and conditions as well as those appearing on the attached.

1. Agreement of Sale; Acceptance: Any acceptance contained herein is expressly made conditional on Buyer's assent to any terms contained herein that are additional to or different from those proposed by Buyer in its purchase order and, hence, any terms and provisions of Buyer's purchase order which are inconsistent with the terms and conditions hereof shall not be binding on the Seller. Unless Buyer shall notify Seller in writing to the contrary as soon as practicable after receipt hereof, acceptance of the terms and conditions hereof by Buyer shall be deemed made and, in the absence of such notification, the sale and shipment by the Seller of the goods covered hereby shall be conclusively deemed to be subject to the terms and conditions hereof.

2. Entire Contract: This contract constitutes the final and entire agreement between Seller and Buyer and any prior or contemporaneous understandings or agreements, oral or written, are merged herein.

3. Prices: The price to be paid by Buyer shall be the price in effect at the date of actual delivery of the goods unless otherwise specified in writing by Seller.

Buyer shall pay such taxes directly or reimburse Seller for any such taxes which it may be required to pay.

5. Payment: The specific terms of payment are as specified in writing by Seller. 6. Shipment; Risk of Loss; Title: The goods shall be shipped EXW Seller's shipping points. Risks of loss pass to Buyer upon delivery to the carrier. Title shall pass to Buyer on delivery to the carrier.

7. Deliveries: The date of delivery provided herein is an approximation based on Seller's best judgment and prompt receipt from the Buyer of all necessary data regarding the goods. Unless otherwise expressly stated, Seller shall have the right to deliver all of the goods at one time or in portions from time to time within the time of delivery herein provided. The delivery of non-conforming goods, or a default of any nature, in relation to one or more installments of this contract shall not substantially impair the value of this contract as a whole and shall not constitute a total breach of the contract as a whole.

8. Delays in Deliveries: Seller shall be excused for delay in delivery, may suspend performance and shall under no circumstances be responsible for failure to fill any order or orders when due due to: acts of God or of the public enemy; fires; floods; riots; strikes; freight embargoes or transportation delays; shortage of labor; inability to secure fuel, material supplies, or power at current prices or on account of shortages thereof; any existing or future laws or acts of the Federal or of any State Government (including specifically but not exclusively any orders, rules or regulations issued by any public officer or agency of any such government) affecting the conduct of Seller's business; any cause beyond Seller's reasonable control.

10. Warranty: Seller warrants that the goods manufactured by the Seller when shipped are free from defects in materials and workmanship; provided, however, Seller shall have no obligation or liability under this warranty unless it shall have received prompt written notice specifying such defect no later than one (1) year from the date of shipment. In the event of defects developing within that period under normal and proper use, Buyer agrees that its sole and exclusive remedy shall require only that the Seller, at Seller's option, repair, modify or replace the non-conforming goods f.o.b. Seller's plant or accept the return of the non-conforming goods and refund the purchase price or part thereof, giving effect to the use or value received by Buyer. Seller's maximum liability under this contract is limited to the purchase price of the goods. No goods shall be returned to Seller without Seller's prior written consent.

2. Buyer's Default; Termination: Buyer shall be liable to Seller for all damages or losses, including loss of reasonable profits, and for costs and expenses, including attorney's fees, sustained by Seller and arising from Buyer's default under, or breach of, any of the terms and conditions of this contract. In the event of any such default or breach, Seller may, without any obligation or liability to Buyer, terminate this contract forthwith by written notice to Buyer and such action by Seller shall not be deemed a waiver of any right or remedy with respect to such default or breach.

13. Assignment: No right or interest in this contract shall be assigned by Buyer without prior written agreement by the Buyer. No delegation of any obligation owed, or the performance of any obligation by the Buyer shall be made without prior written agreement by the Seller.

14. Laws, Code, Regulations, Safety Devices: Compliance with laws, codes and regulations relating to the goods and their use is the sole responsibility of Buyer, and Seller makes no warranty or representation with respect thereto. Buyer assumes the responsibility for providing and installing any and all devices for the protection of safety and health and shall indemnify and hold harmless Seller against any expense, loss or damage which Seller may incur or sustain as a result of Buyer's failure to do so.

12. Patents: Seller warrants that the use or sale of the goods delivered hereunder will not infringe the claims of any United States patent covering the goods, but does not warrant infringement by reason of the use thereof in combination with other material or equipment in the operation of any process. Seller shall, at its own expense, assume the defense of any claim, suit or other proceeding brought against Buyer upon a claim that the goods furnished under this contract constitutes an infringement of any patent of the United States. Buyer agrees to cooperate in the defense of any such proceedings and to provide information, assistance and authority necessary therefor. Should the goods in such suit be held to constitute infringement and the use of the goods enjoined, the Seller shall, at its own expense and at its option, procure for the Buyer the right to continue using such goods or replace them with substantially equivalent goods or modify them so they become non-infringing. Buyer shall defend, hold harmless and indemnify Seller against all judgments, decrees, costs and expenses arising out of any action against Seller or its suppliers based on a claim that the manufacture or sale of goods hereunder constitutes infringement of any United States letters patent, if such goods were manufactured pursuant to Buyer's proprietary designs, specifications and/or formulae and were not normally offered for sale by seller, provided, however, Seller shall give prompt written notice of the claim or action and Seller shall give Buyer authority, information and assistance at Buyer's expense.

15. Law Governing: The interpretation and performance of this contract shall be in accordance with and shall be controlled by the laws of the State of New York without regard to principles of conflicts of law. No waiver by the Seller of any one or more defaults by the Buyer in the performance of any provisions of this contract shall operate or be construed as a waiver of any future default or defaults, whether of a like or of a different character.
